From fruit in season

Jellies eg Bramble, Crabapple, Redcurrant (go well with meat dishes, or spread on toast)

Cranberry sauce - serve with poultry dishes all year round.

Hedgerow jam - fruit gathered in the wild with the hard bits sieved out; a unique flavour.

Spicy Redcurrant & Chilli Jam - We loved this with cheese, also with some cooked dishes like fishcakes.

Plum & Mulled Wine — a popular choice, available only in the Christmas season
